FOREWORD

Just as the Seasons bring changes to our climate and foliage, so the Seasons play a symbolic role in the activity of Orange Glen High. The Fall, which heralds our scholastic year with its blazing hues, also calls our attention to the arrival of freshmen and the beginning of their four years of academic training for college. Fall is football: pompoms and after-game pizzas—one of the most exciting seasons for sports. Swiftly follows the stark and rainy Winter in which we skip studying to go to basketball games on school nights, and later worry about finals. But as the days slowly wind toward Summer and happy, hot weeks of freedom, Spring arrives: warm, windy afternoons of watching baseball after school, or the romance and elegance of the Junior Prom on a sparkling, magical May evening. Lastly, the seniors, like new blossoms appearing on the tree of adulthood, graduate. Springtime behind them, they bud—hopefully as adults, with "experience" their only teacher for the rest of their lives.

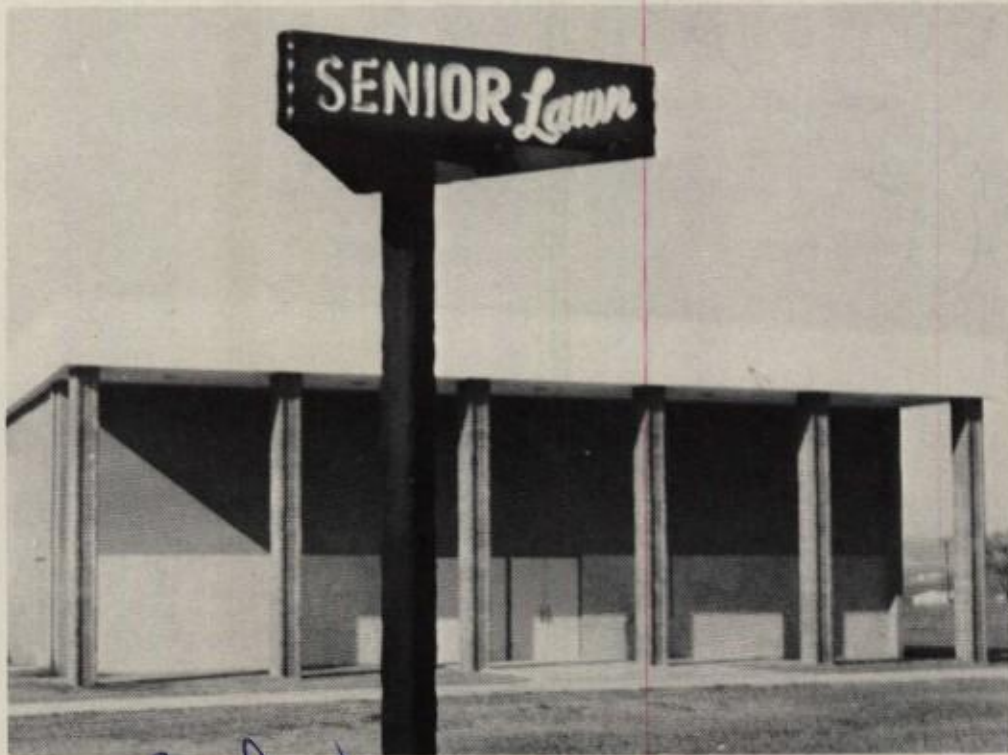

Artist conception of Orange Glen High School in the future.

Dedication

With everlasting gratitude for her painstaking assistance to the faculty and student body, we dedicate the 1966 TORCH to Mrs. Anthie Jimmerson.

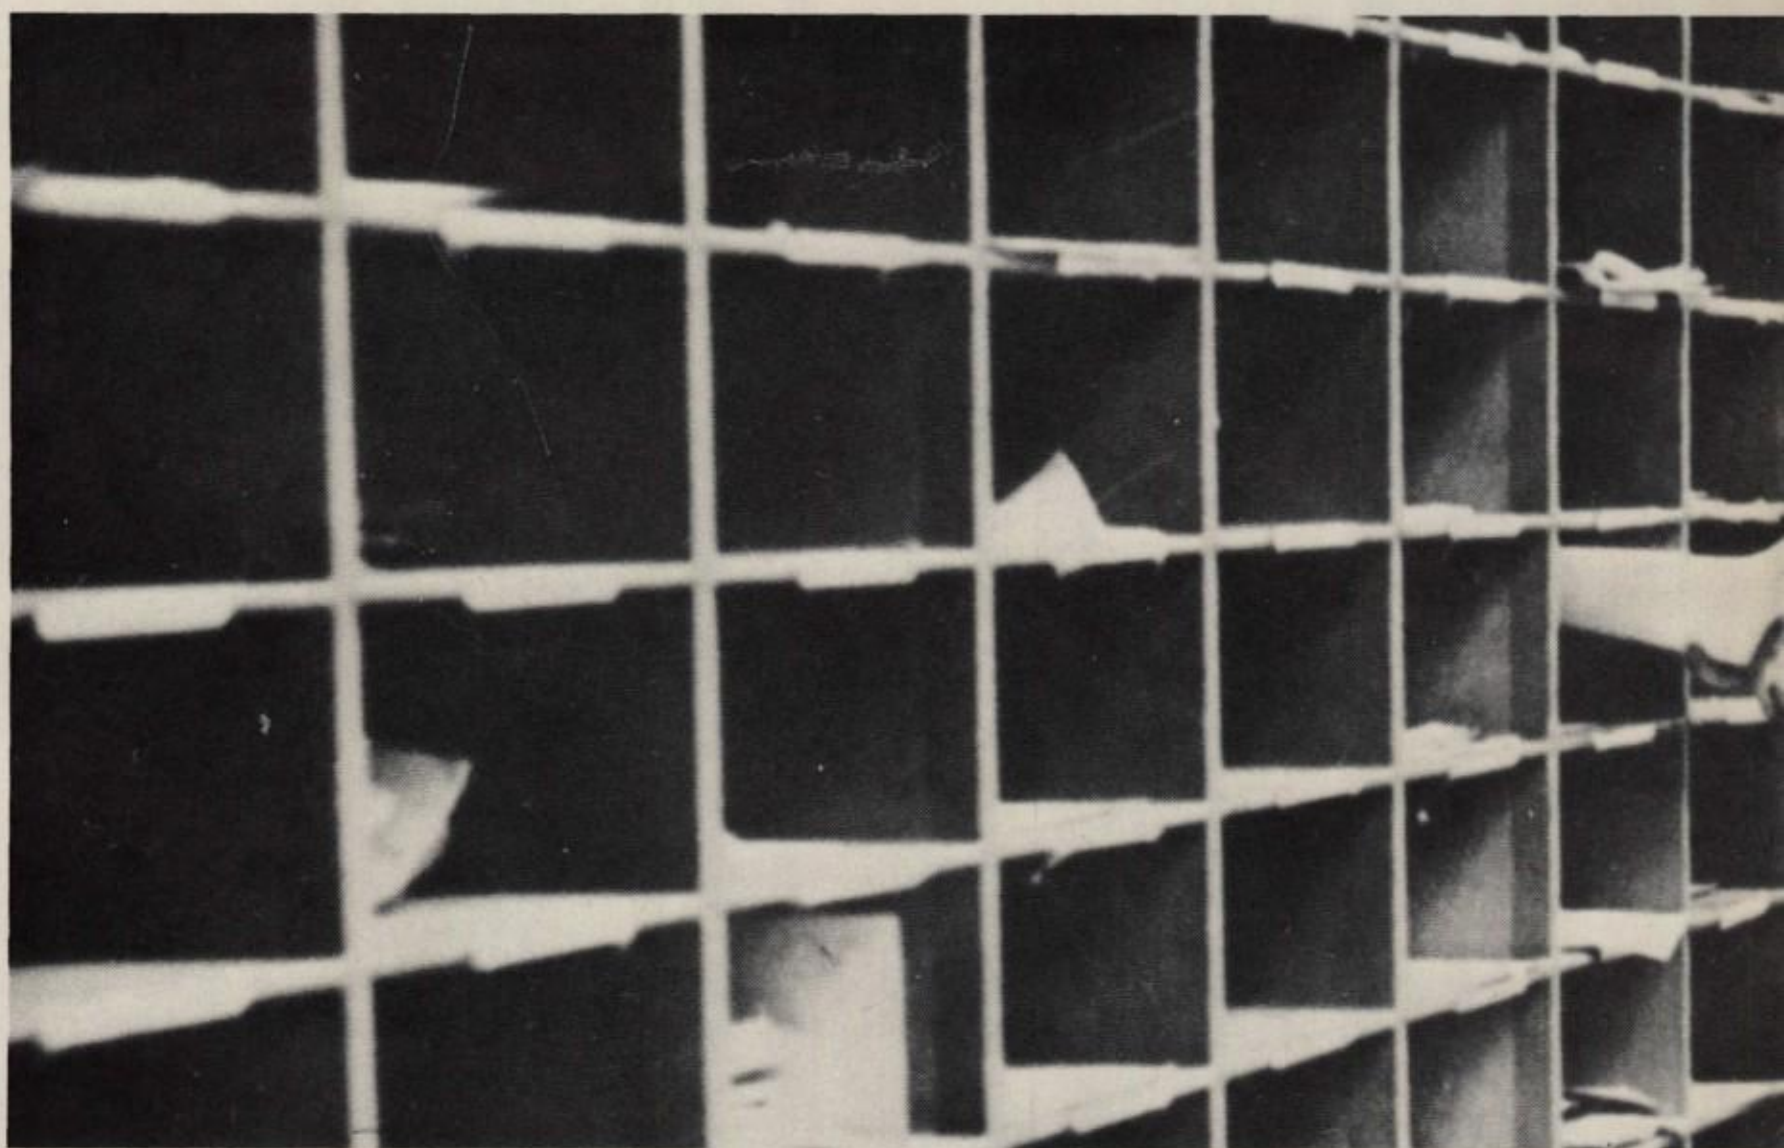

From the time Orange Glen opened its doors until January 1966, Mrs. Jimmerson worked in various tasks in the school's office. Each succeeding year she proved to be more indispensable - the coordinator of innumerable details. Her ready smile, her dependable manner of handling large or small problems, and her cordiality although pressed for time, have earned her first place in the hearts of all who knew her. We, at Orange Glen, wish Mrs. Jimmerson "the best of everything" in her newly-chosen career as housewife and mother.

SUPERINTENDENT'S MESSAGE

Dear Students

Each year high schools throughout our nation send forth an army of seniors, many of whom are anxious and eager to achieve success in some particular field of endeavor. As you recall the many years spent in reaching this particular stage in your life, only you can truthfully answer the question, "Have I really taken advantage of the many educational opportunities afforded me?"

If your answer is an unconditional "Yes" then the road ahead may be rough at times, but it will be passable. If your answer is in the negative, the time for change, the time for resolution is at hand. You can still take advantage of a multitude of educational programs designed to accommodate the high school graduate, but no longer will it be a training period imposed upon you by the society in which you live. Now your educational involvement is a direct result of your own decision and not one established by adult lawmakers. Whether your immediate future involves college, junior college, trade school, night school or on-the-job training, resolve now to profit from what may have been overlooked in previous years--the many opportunities that are all about you.

It might also be well for underclassmen to consider the question previously posed and be guided next year by the counsel of so many who have passed this way before you. Certainly "all work and no play makes Jack a dull boy," but a far wiser course of action would involve a "work hard, play hard" attitude with a goodly portion of each.

Regards,

G. W. Quade
District Superintendent

MR. G.W. QUADE
District Superintendent

1966 is a serious year for those of you who represent the first graduates who will have attended Orange Glen for a full four years of secondary education. We are confident that you are well equipped to meet the challenges of the tasks that lie before you. Serious are the decisions you must carefully make regarding your future courses. Whether you decide to pursue your studies, to launch upon a vocational ambition, to enter military service or to begin a family life of your own, the decisions you make this year will have a profound influence on your future happiness and your useful contribution to the society of which you are a most important member.

1966 is a serious year, described by some as the year of the "Marcher." Public demonstrations, and indeed, Civil disobedience have been highlighted by the news media. We are convinced that the graduates of the class of 1966 are well able to distinguish between rebellion for the sake of rebellion and the responsible challenge to the wisdom of judgement purportedly exercised for the common good.

You graduated must continue to prepare yourselves for advances in Science and Technology and for changes in the role the U.S. Government must play in domestic and world affairs. Indeed, you must be prepared to assume your role as vital members of an adult society.

The staff joins me in extending congratulations and best wishes.

MR. ALLEN FOUCAR
Vice-Principal

Another excellent school year has passed at Orange Glen High School. This year has been one of satisfaction, growth, development and accomplishments. It has been the first year without the noises of construction--a year that saw traditions firmly established. Yet new events did occur at school. There were new students, new teachers, and a brand new graduating class. There were new curricular offerings plus an exciting new phase in Civics--an international relations simulation exercise. The experiment period structure in Civics and Auto Shop was judged a success. There were new guidance facilities plus new programs--summer counseling, student on-the-job days, a job fair, and more individual testing. There were new activities and clubs: the A.S.B. dance was held for the first time in the Multi-Purpose building, the first Homecoming, the student paper sent to all alumni, "Bye Bye Birdie," the first musical on the stage, the production of the first Greek Tragedy--Antigone--on the campus, the formation of the Interact Club, and many more. These innovations were made this year.

Considering all facets it was a firm, stable, productive year, yet a new, interesting growing year. A year of which you all may be proud.

W. P. RADNEY
Assistant Superintendent
Director of Curriculum

The educational program at Orange Glen High School continues to expand and improve with the hiring of new staff, the purchasing of new materials and equipment, and the building of new facilities. These ingredients are most important in developing an instructional program of excellence for our students.

New staff members as well as regular staff have had many opportunities for professional growth through additional graduate study, foreign travel and in-service training conferences at the local, county, state, and national levels. These opportunities help assure the student body of having highly competent instructors who are up-to-date on techniques and content in their fields.

Special help has been provided students who are handicapped or have special needs, interests, and abilities. These services will continue to be made available and we hope increased for the benefit of the students at Orange Glen High School.

Added equipment and materials have been made available for use in the curriculum with the approval of several N.D.E.A. projects. Increased effort will be expended in making financially possible; smaller class size, current materials, and continued opportunities for the professional growth of staff.

Students have shown by the results attained in the State Testing Program, that they have achieved above the State and National Norms in all areas of the curriculum tested. This, I believe, is an indication that staff and students are effectively working together, with excellent materials and equipment, in attaining desirable levels of competency in the various subjects offered.

Efforts will continue to be made in the fields of employing a competent staff, acquiring the best materials and equipment available, providing for opportunities for professional growth of staff, and in assisting students in developing their talents in preparation for assuming their full citizenship responsibilities in a democratic society.

Homecoming '66

Orange Glen High School Associated Student Body presented its first annual homecoming ceremonies on Saturday, October 23, preceeding a game with San Dieguito on Memorial Field.

Many hours of planning and hard work proved the occasion to be very successful. 4,000 spectators, the largest crowd ever to witness a Patriot athletic contest, observed the history-making coronation.

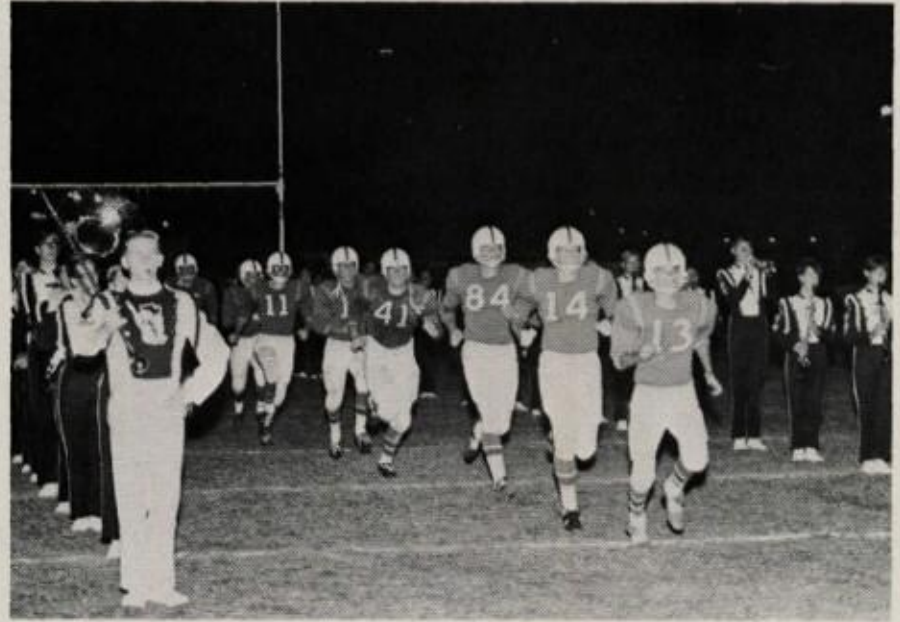

Following the football game, a semi-formal dance for Orange Glen students and the returning class of 1965 was held in the school's gym.

The spirit was never lost.

"Time Out For Ginger", presented by the class of '66, was the first play to be performed in the newly completed multi-purpose building.

The hilarious comedy concerns a young girl who goes out for the football team and makes it!

The cast included: Mr. Howard Carol (JOHN FOWLER); Mrs. Agnes Carol (NANCY CASTINE); Ginger Carol (NANCY LAMB); Jeanne Carol (PAT BORES); Joan Carol (BARBARA FUNK); Lizzy (LINDSAY BORROW); Tommy Green (JOHN McDANIELS); Eddie Davis (JOHN RINEHART); Mr. Wilson (MARK GUINHER); Ed Hoffman (DENNIS EVANS).

OG on the HILL

For the first time since its founding, Orange Glen High School can boast of their own "OG". The 50 yard by 50 yard letters were made by the Orange Glen High School Key Club and other interested students during the summer and the first week of school. The students of Orange Glen can well be proud of their "OG" on the hill".

Various students of OG spent some of their summer vacation time providing a symbol for the high school.

IN MEMORIAM

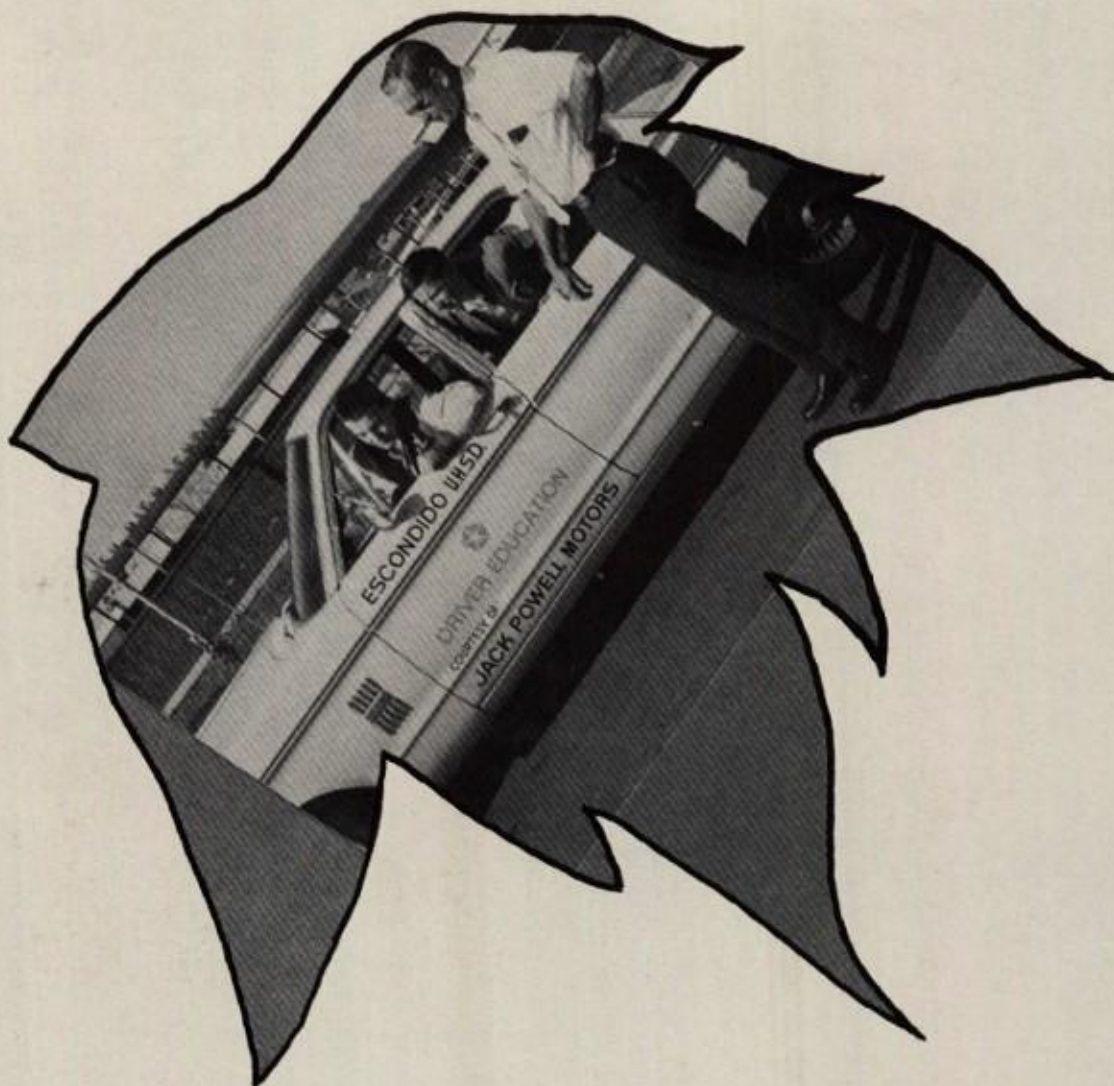

Last November our Student Body lost a valued member, David Anderson. For the many students who used to see him on campus, David's passing came as a shock.

Dave was the kind of guy who always had something to say to you, and his characteristic dry wit and humor invariably made those around him laugh. He made our classes with him enjoyable to look forward to knowing that he would have some funny remark to make. Dave was a person without airs and pretensions. His convictions and beliefs were his own and he apologized to no one for them.

If David is to symbolize anything to us, it should be courage. His acceptance of what is inevitable for all of us--and came too soon for him--gave example to us all. But David Anderson won't really be gone as long as our memory of him can prompt a smile to our lips or give us strength for our destinies.

Kathy Guerrieri and Chuck Condry, representatives to Girls' and Boys' State.

Every year two students from Orange Glen are selected to attend the American Legion Girls' State and Boys' State held in Sacramento, California. The students that participate stimulate city, county, and state governments with students from all over California. The emphasis is on law and politics.

Roger Dahl, Interclub Council Chairman.

Cabinet

John Fowler, President

Student leaders on the Orange Glen High School Associated Student Body Cabinet work efficiently to organize the school government and campus activities. During the past year this important branch of student government has been credited with many things such as: Freshman orientation day, Homecoming, OG on the Hill, Congress elections, and the annual Nominating Convention.

Officers of the Class of '66 have proven that they have "the stuff" of which true Patriots are made.

American Field Service

LEFT TO RIGHT: Mr. Terry Anderson, advisor; Mark Guinther, co-president; Paula Boyce, treasurer; Lorrie Bothman, co-president; Kathy Sedlacek, secretary; Lindsay Borrow and Helge Peterson, foreign students.

In order to promote world-wide learning and understanding, the international American Field Service Clubs bring students from many foreign countries to attend school in the United States. Orange Glen's A.F.S. under the supervision of Mr. L. Anderson, has been active since the school's incorporation in 1962. The club uses money it has raised to help place a student in an Escondido home.

This year our A.F.S. was involved with three different people. Lindsay Borrow came to us from England. She adjusted rapidly to Orange Glen and took part in the Senior Play. Orange Glen's John Fowler lived in Austria this past summer and learned the language and the customs. Helge Peterson is our "unofficial" A.F.S. student. He is the brother of last year's student from Denmark, Erling Peterson, and was invited over by the John Guinther family.

Deltons

"Honor, Loyalty, and Leadership" is the motto of the twenty-five Deltons. The purpose of the club is to honor the dedicated and successful leaders of OGHS, to render service to the school, and to aid the students whenever possible. Some of the activities the Deltons participated in were: the selling of basketball tickets, helping with track meets, selling Christmas, Valentine, and Easter candy; sponsoring a fashion show, potluck dinner, surprise breakfast, and to present a deserving senior girl with a one hundred dollar scholarship.

Key Club

This year the Key Club planted ice plant by the office as one of its many service projects.

Pep Club

LEFT TO RIGHT: Pres. Jan Fenton, V. Pres. Mark Cullins, Sec. Kay Johnston, Treas. Rozanne Jackovac.

Working especially hard this year, the Pep Club concentrated on promoting team and school spirit. This year's goals were a permanent mascot to attend all the games in the form of a costumed patriot on a horse, an oil-cloth goalpost, and permanent rooterposters to decorate the school each week.

Debate Club

Advised by Mr. John Damelio, the Debate Club entered four area competitions. The topic, "Resolved: That The Federal Government Should Adopt a Program of Compulsory Arbitration In The Basic Industries," provided stimulating action during the year. The rounds of debate and long hours of preparation were of benefit at the debate forum held in late March. The prospects look bright for next year with the addition of several new debates.

Pres. Steve Krueger, V. Pres. Dan Royal, Sec. Dana W. Kindrick. MEMBERS: Robert Schaible and Steve Adamson(not shown).

Drama Club

As well as serving the Student Body with annual entertainment, the Drama Club provides props, flats, and other dramatic supplies for dances and the Senior Class Play. With the assistance of the music department, the group produced the musical "Bye Bye Birdie." The famous Greek tragedy "Antigone" was also successfully presented.

LEFT TO RIGHT: Pres. Nancy Lamb, V. Pres. Doug Cullens, Sec. Bronya Clover, Treas. Pat Harrild and advisor Mr. John Damelio.

Bye Bye Birdie performers.....Sandi Cowgill, Doug Anderson, Steff Sarff and Kurt Snyder.

Choreographer Barbara Funk helps Kurt Snyder in one of the scenes.

Spanish Club

"Los Valientes" was the name chosen for this year's Spanish Club. Pinata parties, field trips and various other activities have promoted interest in the culture and civilization of Spanish America. The highlight of the season was a field trip to Padua Hills, near Los Angeles.

LEFT TO RIGHT: V. Pres. Sue Simpson, Sec. Susie McCurdy, Treas. Debbie Port, Social Chair. Candy Ballard, Prog. Chair. Susan Cadwallader, (Pres. Don Calac absent).

French Club

Knowledge of France and culture is the main objective of Orange Glen's French Club. Under Mr. Dale Baldridge's supervision, student's appreciation of France's many interesting facets of interest is encouraged. Highlights of a typical year include a French movie, a progressive French dinner, and a trip to a French restaurant in Los Angeles.

LEFT TO RIGHT: Pres. Doreen Proctor, V. Pres. Karen Barnes, Sec. Jayme Strahl, Treas. Richard Quinn.

German Club

Advised by Mr. Gordon Zittel, German Club instills into its members an appreciation of the German philosophy, spirit, and culture, while also acting as a service club. German Club is renowned for its history of lively polka and dinner parties.

LEFT TO RIGHT: Pres. Lorrie Bothman, V. Pres. Steph Sarff, Sec. Linda Shippman, (Treas. Laurie Wyland absent).

Latin Club

Informing people of the Latin language and proving that Latin doesn't have to be a dead language is the main purpose of the Latin Club. They also encourage others to broaden their knowledge of Roman customs and legends.

LEFT TO RIGHT: Pres. Russell Gandee; V. Pres. Frank Svaboda; Sec. Leanne Wilson; Treas. Sandy Hampel.

Auto Club

Advised by Mr. Don Sutton, the Auto Club attempts to provide its members with knowledge and work experience in the automobile field beyond normal classroom and lab work. The hi-light of this year occurred in the spring when the club featured a tune-up contest for members of all the auto classes. Future plans include a scholarship.

LEFT TO RIGHT: Pres. Ron Phillips, V. Pres. Charlie Smith, Sgt. at Arms Gary Urdahl, Sec. Treas. Barry Hollins.

Girls' Athletics Association

The main objective of the GAA is to provide and stimulate an interest in athletics for Orange Glen girls. Many social activities such as swimming, bowling, and skating were held. Also there were intramural sports activities.

LEFT TO RIGHT: Kathy Tobler, Sandy Cowgill, Ellie Minor, Kathy Guerrieri, Jan Heslop.

Interact Club

An international organization, Interact services both school and community and promotes greater understanding between the other peoples of the world. The Rotary Club, which is its sponsor, has been both mother and father to the dear chaps. Besides working on the OG on the hill, the club intends to have a car wash in order to raise money to buy penicillin for impoverished Mexican families in Baja, California.

Pres. Frank Svoboda
V. Pres. Hal Trebes
Sec. Eric Moore

The Torch

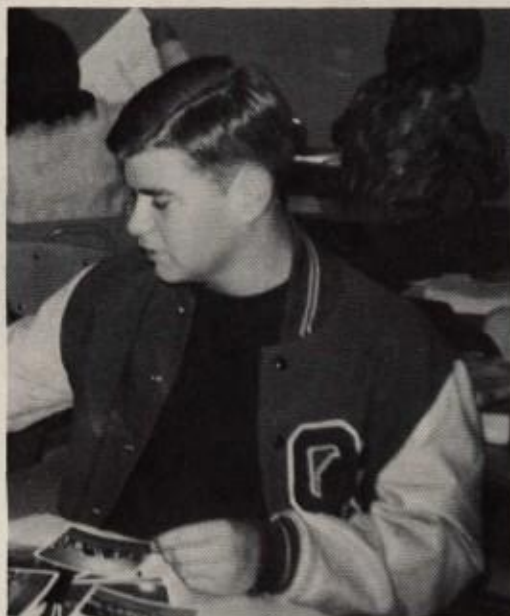

Co-Editors Buzz Ponce and Marcia Phillips discuss a problem.

Hundreds of pictures, pages and typed copy, filled room 24 each sixth period as the 1966 TORCH slowly took shape. Aided by advisor, Mr. John D'Amelio, the staff of eighteen, began work in September and labored until early May to provide an accurate account of this school year.

The final product, a book of 200 pages, boasted an increase of 24 pages.

The deadline met and sheaves of copy discarded, room 24 was far from quiet even though TORCH, 1966 was completed. The staff was busy on another job; that of planning and carrying out the distribution of their product to the student body.

JV Posts Undefeated Season

Grid Prospect Looks Bright For Orange Glen

Mike Quirk (19) beginning to get worried.

Doug Blake (80) sprints for a TD.

The 1965 Patriot Junior Varsity football team proved to be one that gained the respect and admiration of the entire student body. Under the outstanding supervision of Coaches Tom Bice and Bill Wetzel, this team won the first league-championship of any football team at O.G. It also became the first athletic team in this school's history to go undefeated.

During the course of their season, the young Pats scored a total of 151 points, while their stingy defense held the opposition to a mere 37 points. From this fantastic exhibition, one might think that our JV purposely tried to "run up" the score. But this was not so. It was a credit to this team and its members that players could come off the bench and still out-play their opponents.

Although the '65 season must be considered a "team effort", there were a number of players that were particularly outstanding. On offense, the excellent quarterbacking of Ernie Oliva and Jim Moyer, the running of Jerry Ferrara, and the pass receiving of Doug Blake and Albert Sanchez have proven vital to the Pat's success. On defense, Mike Quirk, Dick Brittain, Marc Pirog, Rory Reeves and Ron Bushcamp all contributed outstanding efforts.

VARSITY

September 6, 1965, Labor Day across the United States. At Orange Glen, for a relatively small group of athletes, it was a double labor day. It marked the opening of football practice, a drudgery that players seldom enjoy.

Just two weeks later, on September 24, the Patriots met Rim of the World High on the Memorial Field turf. The Scots, rebounding from a league championship the year before battled the Patriots to a 0-0 tie.

The week of practice that followed was hard. Buzz Ponce was selected as the Patriot's first Player of the week, and the Pats looked forward with eagerness to their next game.

La Jolla High, ranked as the number two team in San Diego County, traveled to Memorial Field in a game that saw them win 19-0. This game would also see the Vikings slip to the number four spot in county ratings, a tribute to the hard fighting Patriots who were dubbed as 25 point underdogs. End John Thornley was named as the second Player of the Week.

In the Pats next game, they dropped a 20-6 encounter to San Clemente, as halfback Jim Dean was named Player of the Week.

October 23 marked Orange Glen's first homecoming and their first game in league competition. The Patriots succumbed to the powerful Mustangs of San Dieguito by a 26-3 score. Defensive specialist Barry Hollins was named Player of the Week.

FOOTBALL

For the Pats fourth game, they met University--a team which had won 12 straight games in a row. After putting up a terrific battle, the Patriots finally dropped the game 36-7, as Bo Mazetti was named Player of the Week.

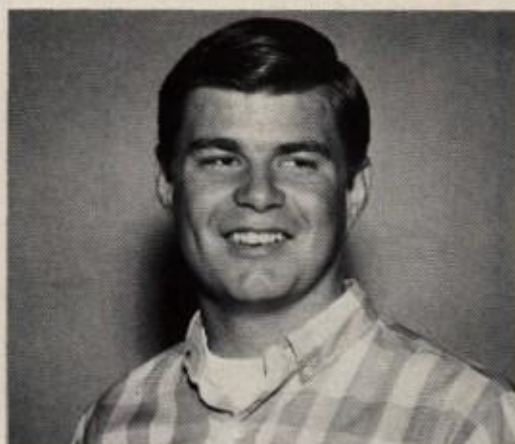

O.G.'s next game involved Fallbrook, whom the Pats out-played and out-hustled, but never-the-less squeezed past the Pats 6-0. Ken Martin was named Player of the Week.

Oceanside, the number one team in the league, took on the Patriots the following week. The Pirates, expecting a possible "easy game" were almost humiliated in front of their home folk as the upset-minded Pats battled Oceanside in a 20-0 game. Sophomore quarterback Paul Moyneur riddled the Pirate secondary with his passes to capture Player of the Week.

After the Oceanside tussle the season began for the Patriots. On November 19, after having been beaten six games in a row, the Pats met head-on with Vista High School. Because of their larger size and more experienced players, Vista was chosen as a two touchdown favorite over the scrappy Patriot outfit. However, the odds-makers could not dim the Patriots hopes and the Pats bounced Vista 6-0, making this the sweetest victory in the short history of Orange Glen football. John Hinton was chosen Player of the Week for his important role in this key game.

Over the course of the season, the entire Patriot squad was held together by their fine coaches Dick Disney and Paul Turner. Disney earned the admiration of each player and Turner, though handicapped by being a rookie grid coach, taught each and every player a valuable part of football.

THE GRAPPLERS

Outstanding Senior Wrestlers

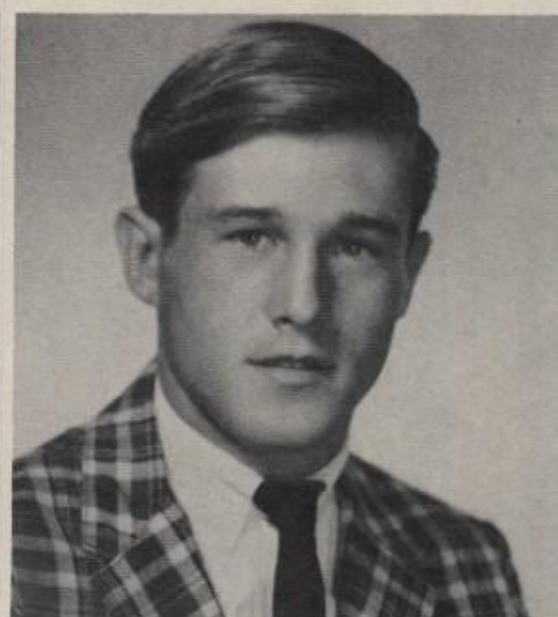

Bruce Eldredge (106)

Eddie Reeves (130)

The Varsity Wrestling team experienced a highly successful year despite its relatively poor 2-8 season's record. Under the able supervision of Coach Dale Denton, the Patriot matmen compiled a 2-4 league record, and won two trophies.

At the El Capitan Tournament, the Pat's captured the 2nd place trophy by edging out host El Capitan, a team that had defeated the Patriots earlier in the season. First place went to powerful Kearny, but three Patriot grapplers captured individual titles, they were: Bruce Eldredge, Frank Hampel, and Ed Reeves. Second places were won by Ken Patterson, Mickey Ferrick, Rick Bucknum, Don Walker, Bo Mazzetti, and Randy Paul. A week later, at the rugged Vista Invitational Tournament, the Patriot grapplers again won a runners-up trophy by defeating Claremont, San Dieguito, Fallbrook, San Marcos, Perris, and arch-rival Vista. Bruce Eldredge and Ed Reeves again captured individual championships while Ken Patterson, Mickey Ferrick, Norm Fisher, Mike Cavin and Randy Paul all won seconds. Rick Bucknum netted the Patriots' only third place.

In their non-league matches the grapplers did not fare too well due to a tough schedule. The Patriot matmen lost narrow decisions to Morse, El Capitan, Santana, Kearny, and Coronado--all Class AA schools with over twice the enrollment of Orange Glen.

When league play rolled around, the wrestling squad was severely jolted as five Varsity members quit. As inexperienced wrestlers were suddenly pushed into premature Varsity roles, the Patriots lost extremely close matches to defending champion Ocean-side and Vista. In the Vista match, the Pat's actually outscored the Panthers in the matches wrestled, but lost due to forfeits. The Patriots then bombed Fallbrook 48-10, as nine wrestlers scored pins. After a loss to University, the grapplers then were defeated by champion San Dieguito. In this match, the Pats nursed a 16-2 lead after five matches, only to succumb as the next six wrestlers lost by pin. The Patriot grapplers ended the season by whipping San Marcos 29-19.

In the League Finals Tournament, Bruce Eldredge was the lone Patriot to capture a first place. Eddie Reeves, Mickey Ferrick, and Frank Hampel won second places, while Ken Patterson placed third. In the C.I.F. Tournament, Bruce Eldredge (106) and Heavyweight Randy Paul both advanced to the second round C.I.F. finals by scoring impressive victories in the Prelims. During the course of the season, Bruce Eldredge set a new school record for points scored in a season with 72. Randy Paul established new school marks for most matches wrestled (25), and also eclipsed Norm Johnston's record of most pins scored by pinning 10 opponents.

Varsity Basketball

This year's Varsity Basketball Team proved to be the finest in the entire history of Orange Glen. Under the capable leadership of Coach Bill Wetzell, the Patriots molded a fine 11-12 season's record, and at one early point in the season was ranked as high as 9th in the county--an honor never before achieved by an Orange Glen athletic team. The non-league games were highlighted by victories over Metro League teams Mar Vista, Coronado, and powerful Laguna Beach, also, a stunning upsets over Palomar League power Poway. Just a few weeks later, in the rugged Perris Basketball Tournament, the Pats captured the 3rd place trophy by waxing Fallbrook 68-45.

When league play started, however, the Patriot cagers experienced a severe slump. Although tabbed as serious title contenders, the Pats lost every game in their first round of league play. However, the second round was a completely different story. In their opening game, the Pats dumped defending SD-CIF Class A Champion San Dieguito 75-64. This victory will forever rank as one of the greatest triumphs in school history, with the never-say-die Patriots battling back from a large deficit to overcome the Mustangs in the final minutes of the last period. In their next two games, the Patriots lost two heartbreakers to University and Fallbrook. In the University game, playing without the services of starting center Jay Bunker, the Pats lost 40-39 after a Patriot basket was disallowed in the final seconds of the game. In the Fallbrook encounter, a desperation field goal at the buzzer sunk the upset-minded Patriots 56-57. After a loss to champion Oceanside, the Patriots ended the Season on a winning note by mauling arch-rival Vista by a 79-55 score, and also winning a wild free-for all started by Vista players as the game ended.

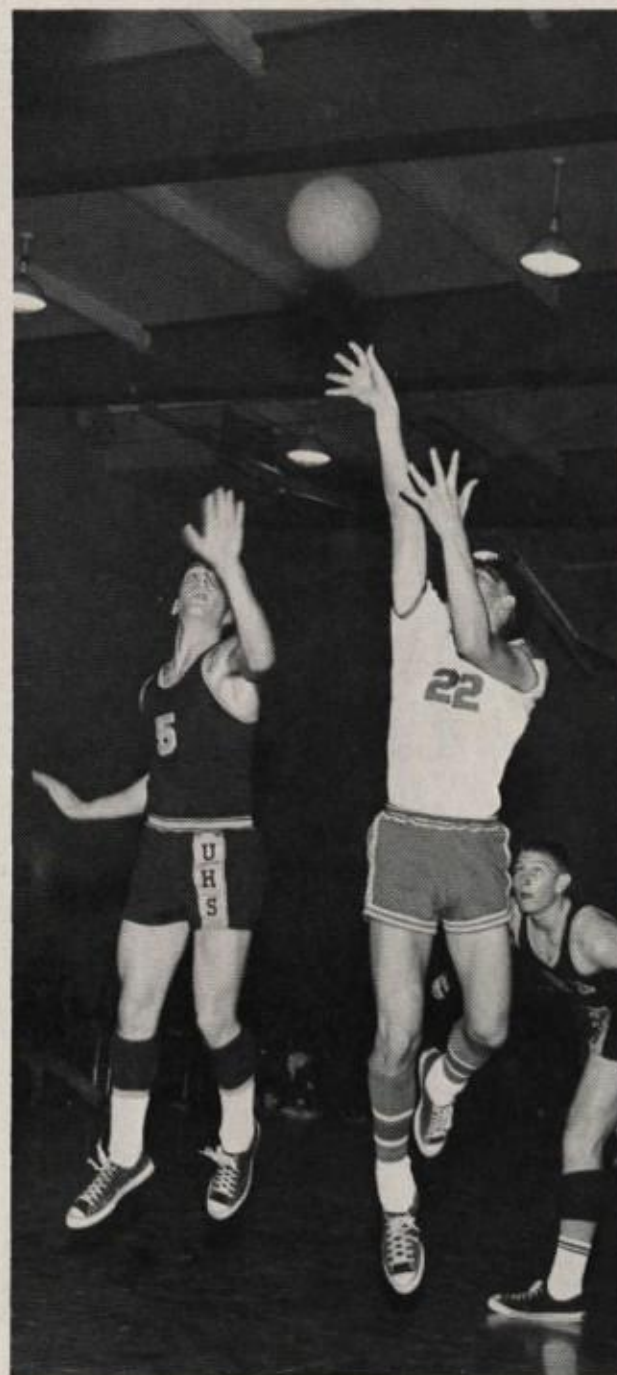

All the starters for Orange Glen played excellently. Center Jay Bunker, forward Rand Johnson, and Richard Gillett all seniors enjoyed outstanding seasons, while sophomore forward Mike Gillett and Junior Guard John Guerrieri both displayed exceptional poise and ability for underclassmen. Several reserves showed great talent. Guards Scott Hagata and Sam Oliva, Center Lance Edwards, and forward Don Chaffin all sparkled in reserve roles.

Varsity Baseball

Baseball at Orange Glen came into its own during the '66 campaign. The Patriots who were in second place when the Torch went to press, certainly were showing their Avocado League rivals that they weren't a team of push-overs.

Pitcher Chuck Condry, the early leader for Player of the Year honors in the Avo, at printing time hadn't lost a league game and sported an E.R.A. of 0.00.

A steady on-slaught of timely hitting and clutch pitching were the main assets that were contributing to the Pat's success.

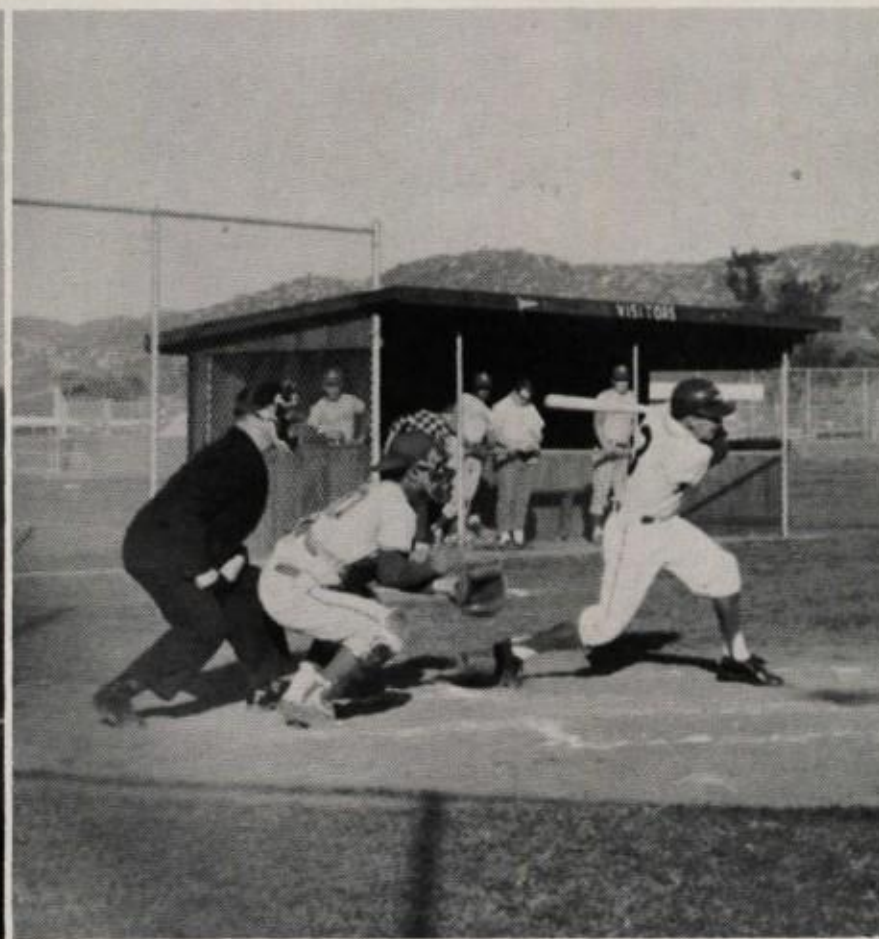

After opening up league play by downing San Dieguito on Condry's one hitter, the Patriots were tripped up by league-leader University as Ernie Oliva tossed a five hitter. Condry came back to chuck a three hitter at Fallbrook as the Pats ran past the Warriors 6-0. Oliva was tabbed as the starter against Oceanside and lost another tough one 2-1. Again it was Condry who pitched and won the big game. Chuck stopped Vista on three hits as the Patriots slipped past the Panthers 2-1.

San Dieguito came back and ripped Orange Glen in their second meeting, 4-1. The Pats then traveled to San Diego and met league leader University. Condry had little trouble in disposing of the Dons as his teammates backed him up with five early runs.

At the time the Torch was being printed, from all indications, coach Tom Bice's baseballers were serious contenders for the Avocado League championship.

They were then beaten by defending champion Vista by a 18-10 score. Other members of the team were letterman Jim Hinrichs, seniors Roger Dahl and Mark Guinther, juniors Glen Combs and Helge Petersen, and freshmen Jerry Sankey and Bill Sale. TRACK

The Orange Glen trackmen this season put forth the most powerful track team in our school's brief history. Head Coach Disney's gutsy performers proved they were able to compete with any team in the county. In the Mustang Relays the team placed a strong fourth in a field of ten, beating such teams as La Jolla, Castle Park, San Clemente, San Dieguito, and Mar Vista.

The coaches of this fine team are to be congratulated for doing such a fine job in producing outstanding athletes such as Randy Hartman, Ken Howe, Doug Sherman and George Odle. Coaches Disney, Denton, and Turner provided the leadership needed to produce an outstanding team.

Randy Hartman, the O.G. record holder in the 1320, mile and 2-mile, and the captain of the team, was one of the finest milers in the county. Ken Howe, perhaps the most versatile and valuable man in the league, turned in excellent marks in the broad jump, hurdles, 440, and 880. Howe was the teams co-captain. Doug Sherman turned in one of the leagues best high jump marks by clearing six feet. George Odle did an excellent job in the longest race of the meet by consistently winning the 2-mile.

The Pats, hit hard with injuries and richness in the early part of the season, dropped heart-breakers to San Clemente and San Dieguito. But the Pats came in strong for the remaining season.

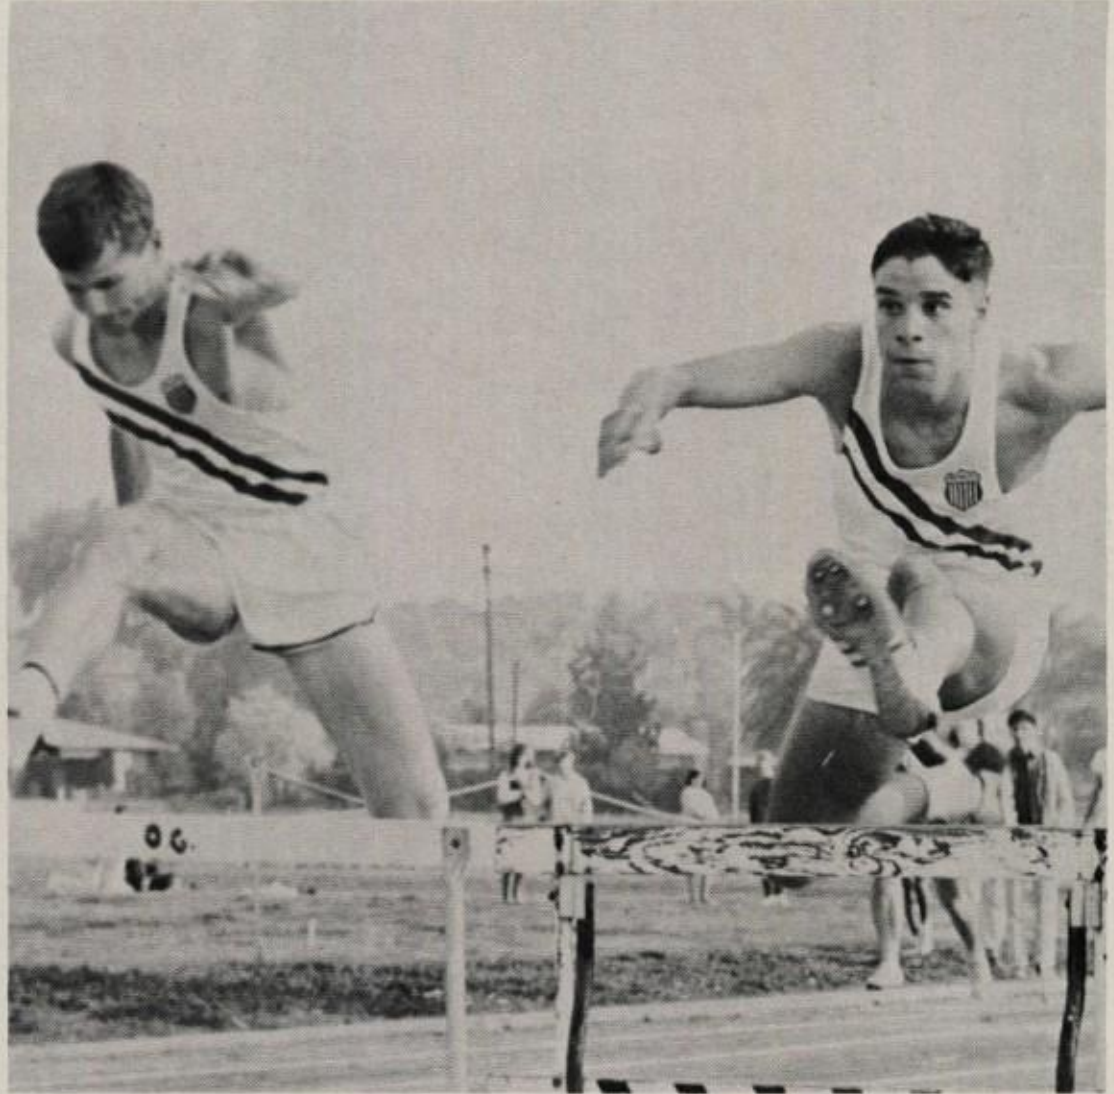

Outstanding meets were with San Dieguito, Vista, and San Marcos and Excondido in the District Meet, April 30.

The coaches and athletes of this fine team are to be congratulated for a job well done.

SWIMMING

BANG!

When standout swimmer John Whelen graduated last year, Coach Fred Jennings was expected to face a major rebuilding campaign. However, this year's team has exceeded all expectations and has proven to be perhaps the most powerful and successful in the school's short history. Playing one of the toughest schedules of any team at our school, the swimmers have come through with a fantastic 92-0 victory over Fallbrook, a 68-18 win over San Diego Military Academy, and stunning upsets over powerful Granite Hills and Castle Park by scores of 76-58 and 63-46, respectively.

Led throughout the season by swimmers Joe Martin, Ken Martin, and Newton Williamson, and diver Roger Struffert, the team performed with determination and stamina throughout the early season, and will continue to show success and improvement throughout the '66 season.

ROW 1, LEFT TO RIGHT: Coach Watts, M. Fleming, J. Heramb, P. Peck. ROW 2: R. Quinn, R. Schraner, M. Bonds, K. Ira, R. Nicol, W. Peterson.

GOLF

Under the excellent leadership of Coach Paul Watts, this year's Varsity Golf squad proved to be the best in the school's history. The team is relatively young, consisting mainly of underclassmen, yet they have played with the poise and skill of experienced veterans. Paced throughout the season by junior Ray Nichol and sophomore Pete Peck, the team performed extremely well against often overwhelming competition. The outstanding moment of the still-young season came with a 6-2 drubbing of Army-Navy Academy.

Since the entire first team consists of underclassmen, fantastic success is expected in the future.

Junior Ray Nicol lines up a difficult putt.

Susan -

Needless to say you are one of my favorite people. Sorry you sort of "blew it" this spring but don't let it dishearten you - O.H. will someday awaken to the fact that they have passed over one of the finest leaders on our campus! (What hurt you was that you reached for too much at once.) Hope you came out for varsity sports next year. You have such a tremendous personality - keep that sweet smile.

GIRLS' SPORTS

May the Lord Bless you Always -

This year the girls' sports department has expanded its activities into a well-rounded program of intramurals and extramurals. A girl can participate in any sport of her choice; she can sign up for intramurals and join a team of girls from her P.E. period to play in tournaments against other P.E. periods, or she can go out for one of the extramural teams and play against other schools. As of the date the yearbook went to press three teams had been formed; a hockey team, a tennis team, and a basketball team, and there were plans for a softball and a volleyball team. Each team plays against San Marcos and Escondido High Schools. Miss Anglim is the coach for all extramural sports, while Mrs. Bowerman and Mrs. Freitas assist with the intramurals and G.A.A. There is great interest in both programs and it is hoped that in the future the extramural activities will be enlarged and the teams will be able to play many more schools.

EPILOGUE

During the course of the 1965-66 school year, the Torch Staff has endeavored to record each memorable activity that has happened at Orange Glen High School this past year.

The school year is over and all activities have ceased.

The hundreds of pictures, piles of write-ups, and pages of triplicate copy forms that helped to create this album are now history.

We, the staff, would like to thank the R. Wallace Pischel Publishing Company for their cooperation and understanding. Also, Mr. Craig Fishel, of Tutwiler-Craig Photography has helped us tremendously by giving us his time and valuable pictures.

As this school year closes, the season is summer and the mood is joy; Torch number Four is now complete.

*Susan,
I really don't know what
to say but have a good
summer & stay sweet

Susan,
It's been fun
having you in
DE. Have fun this
summer. Good luck
always. Love ya,
Gail

Sue - I've enjoyed knowing
you these past few years
You're a real nice girl!
Have a great vacation -
I'll see ya next year!
Best of Luck -
Jerry

Sue -
I have enjoyed having you in
Spanish. With all of our gabbing
in there I am surprised we were
not kicked out. Have a good
summer & behave yourself!
Lots 'o Luck

It's been fun
having you
around this summer
and we'll see you
next year (Don't go running
off to Hawaii).

Dear Susan
~~Don't~~ ^(sorry about)
It's been really great
knowing you all these years
and its really going to be fun
our last two years. Since you didn't
make cheerleader, you'll just have to yell
louder for us from the stands. We'll keep smiling
and you'll go a long way in life. Good luck and
God Bless you.

Love you a lot

Susan, It was fun having you
in biology this year maybe next year
I'll have you in more classes. Have
fun this summer. See ya next year

P.S. (Please excuse the
handwriting) Curtis Cornelius

Susan,
Keep Jerry in line. He's a really great
football player. (I hope you still like him)
Good luck in everything you do in
coming years.

Love, Paul B. of

Susan,
Hi! End of
the year! Hurrah!
It was so great having
you in my classes! I hope
we're in a lot together next
year! Loads of luck & fun this summer.
CAROL DUGENT

Sue:
Hi Dee! (original)
this has really been a
crazy year. I'm glad that we
could suffer together in biology
and I hope we have a lot more
classes together next year. Well stay
as sweet as you are and keep touch
this summer (743 8823). Have a real
boss summer.
See you
soon
Paula Hall

one of the
sweetest people
I know. Your inner
personality and excellent
mind - along with your good looks -
will get you very far. Hope to see you
next year

Henry Ellhart

Sue,
I've enjoyed having you
in the class so much as
the year. You're such an
energetic person so I know
you'll contribute years at OCHS.
in future see you next year.
Ray Johnston

Sue - Well, we've had fun going thru Brown's
chamber of horrors. I'm sure glad it's over!
Hope to see you next year in some of
my classes. Have fun this summer
and behave yourself. Come back
nice and tan & healthy.
Stay the same as you
are - don't spoil a good
thing. See you next
year. Love
Leann

Sue,
We were in five
classes together and all
were a blast. Next year
there better be at least
one. Maybe I'll see you this
summer, until then. Adios
Hibbie Betty

Susan:
I'm glad I got you
in one of my classes
anyway. Have fun this
summer and have fun
forever.
Love Jo.
Janda Sevens

Sue,
It sure was a blast
during lunch this year.
Maybe next year we can
have some more classes together.
So bad you didn't get sec. but
if you run next year you've got
a good chance in winning.
Have a good summer and stay
out of trouble. Go a sweet
kid (from a sweeter one) Good-bye
The one

Susan: Been nice
knowing you this year
See you during the summer
and next year. Have fun
during the summer and don't
do anything I wouldn't do.
Kay Hilchist

Susy,
You're just the
cutest and greatest person around.
You've been a doll and I'm so
glad you went out for cheer-
leading. I'm sorry we didn't
make it, but maybe next
year.

Have a great summer.
Come over anytime to swim.
By-ee!

Love ya,
Candy.

Sue, I hope you're not too disappointed in the elections! I'm glad that you remained graceful & proper thru out the whole thing. Next year is another election and Victory in Cabinet we'll really have a lot of work in next year, but it's a marvelous job & I know you'll love it. May God Bless & Keep you, Pat.

Sue, see how you can keep I don't ever thing that's going on, with you do. Confused? That's O.K. See you next year in school. Love, Jay

Sue Good luck in the years to come keep up the good work, stay out of trouble and have fun this summer Roy Hood

Sue, It's been great knowing such a swell girl (even though you can't remember my name). Best of luck with yr. Daisy Blake

Sue, HAVE FUN THIS SUMMER. IT IS TOO BAD YOU LOST THE ELECTION BUT NEXT YEAR THE WORLD, CHUCK DOWN

What's 66 (and forever after)
with you. Good luck in the Spar II class. I promise to be at has been in the future years and keep getting these
D's

See! you're
 one of the nicest & cutest
 girls I know. I just wish
 that we would do more things
 together. Maybe this summer we can
 go horseback riding or go to the beach or
 at least do something together. Hope to see
 you next year. Hope I have at least one class
 with you. Good luck in the years to come.

Love ya

 See you next year
 Love Lynn

Sue,

This year has been fun & you've been part of it.

I hope you'll run year

Secretary next year again.

Because I know you'd be just great! Be good.

Jamie Colia

Sue -
I've really enjoyed
you and I hope
we become better
acquainted later on.
Take care of yourself.
I'll probably see you in
church or at your store.
Lots of love
Marsha Jones

Sue,
I've really sweet
to give you really enjoyed
knowing over the years
and I'm this summer
year. Good luck next
cute and sweet.
Love
Joan

Sue,
It has been a hell sitting
across from you in Biol.
I know! Keep trying
and I know you'll go far.
You're a wonderful person
and deserve a lot. I hope you
get it! stays the happy gal
you are & see you next
year. Lots of love
your friend
Sue

Hi Wart! HA!, HA!

I'm just teasing you and I didn't really mean it. It's been a real blast getting to know you better this year (even though I've known ya all my life).

The "Sodie" and all the social events will be many good memories I'll never forget. Have fun this summer and don't forget me.

Good luck forever -
Jerry.

Susan
I haven't gotten
to know you too well
this year but I'm sure I'll see
you next year. Have fun
during the
summer

Mr. Thick Bule

Hi!
You're coming
a long way from
grade school, and I
just wish I had had
the initiative quite to do the
things you're doing for your
school. You're a swell "leader".
